Dear Parent/Carer

GCSE History Revision Guide

We are offering all students studying GCSE History the opportunity to purchase a revision guide directly through the school.

The GCSE Edexcel History Revision Guide is specifically for the Edexcel examination board and covers all topics within the specification that are taught throughout Years 10 and 11.

The revision guide printed by CGP, a renowned publisher of study guides.

We are able to offer this guide at the discounted price of **£3.85**, compared to the retail price of £7.85. While purchasing the guide is not compulsory, many students have found it to be a valuable resource that supports learning and revision, offering useful tips and activities to reinforce classroom teaching.

If you would like to purchase a copy, please make payment via the school's online payment system. Once payment has been received by the Finance Department, students will be able to collect their copy from **H1**.

If you have any questions about this guide or about studying History at GCSE or A-level, please do not hesitate to contact me at vgaskin@wkgs.net.

Yours sincerely

V Gaskin
