## CONFERENCE 2025

 **Date: May 9th 2025**

 **Time: 10 am – 2.30 pm**

 **Location: Start Yard,  
Wirral**

Over the last few months, students across Wirral's Eco Schools have been building real-world travel and transport focused advocacy campaigns, engaging directly with local and regional policymakers, and developing their skills in public speaking, strategic thinking, and leadership.

**The Wirral Changemakers Conference is where it all comes together** – a bold, inspiring showcase of student-led advocacy for a greener, fairer transport future. This event marks the culmination of an exciting journey for our young climate champions: a chance to celebrate progress, influence decision-makers, and lay the groundwork for lasting change in their communities and beyond.

If you're a local decision maker, politician or transport specialist, we're inviting you to attend the conference from **12.45pm–2.15pm** to hear directly from the young people. Sit back and listen as the Changemakers present their campaigns for travel and transport improvements for the Wirral and Merseyside.
