Dear Parent/Carer

Unfortunately there are still issues with the new scheme funding Free School Meals. As yet, I believe you have had no communication regarding the DfE voucher that should have been redeemable on Monday 20 April.

Until we get communication that the DfE scheme is working as it should we will revert back to our previous School directed process and top up the Asda cards by £15 for a further week. This will be available for Monday 27 April.

You should still expect to receive the DfE e-voucher which has a value of £15 for one week, please follow the instructions provided with the voucher to redeem this.

Assuming you are in receipt of both this will take Free School Meal funding at £2.50 per day up to Friday 8 May.

I promise to keep you updated and I am sorry that this has not been straight forward. The national DfE scheme is having continued start up difficulties but we do not feel that you should have to suffer whilst we wait for these teething problems to be ironed out!

I hope you are all safe and well!

Kind regards.
