Signing into Google Classroom and joining Classes from Home

On your browser (Google Chrome, Safari etc.) go to www.wkgs.org

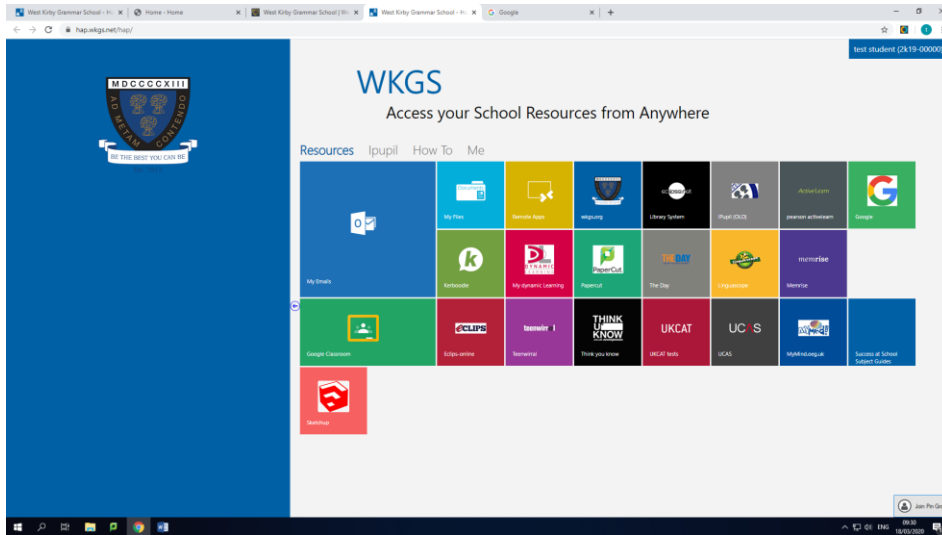

Click the Intranet Link at the top right of the screen

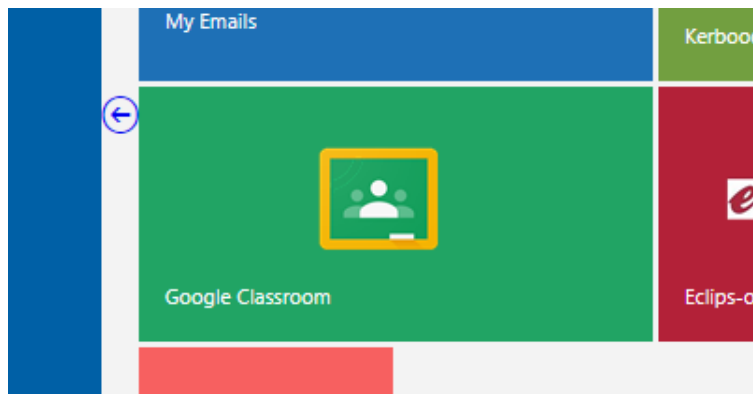

When asked sign in with your school email address and school password (do not use any personal accounts)

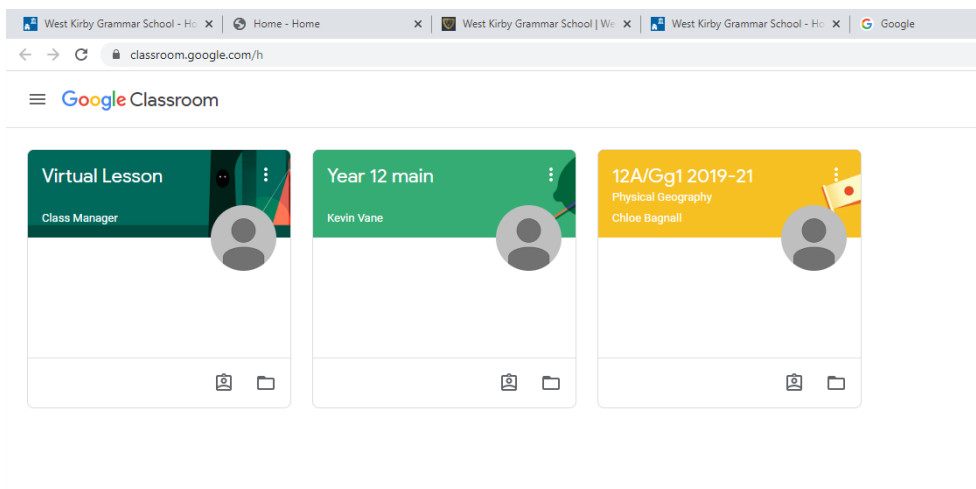

You will now see the school intranet page

To access Google Classroom click the Green Google Classroom icon on the page
 (You can also use <https://www.classroom.google.com>)

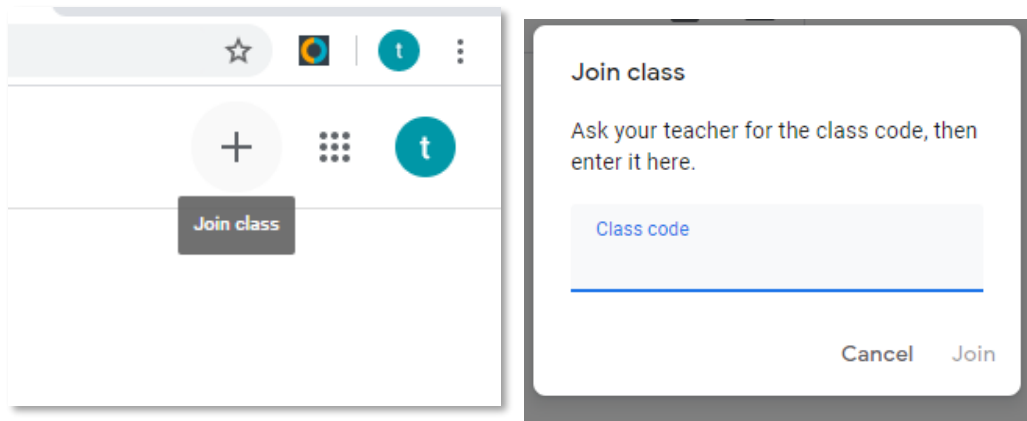

If asked enter your school email and password (not any personal account)
 You will now see you Google Classroom Home Page with all the lessons you have joined.

Joining a Google Class

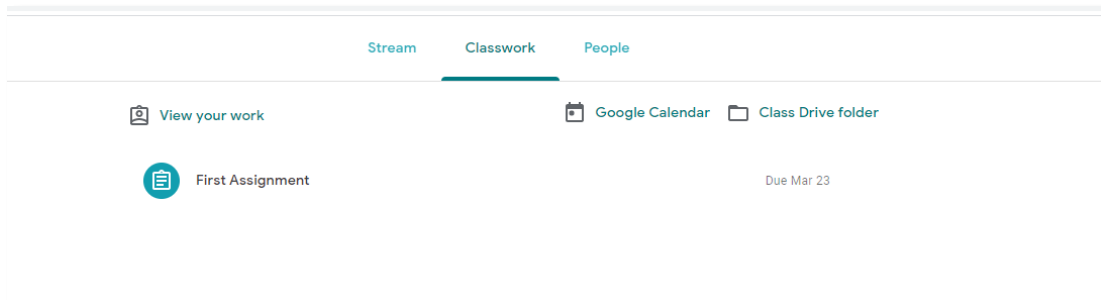

From the Home Page of Google Classroom Click the Plus Icon top right of the screen

On the Join Class Page enter the Class code (7 characters Letters and Numbers)

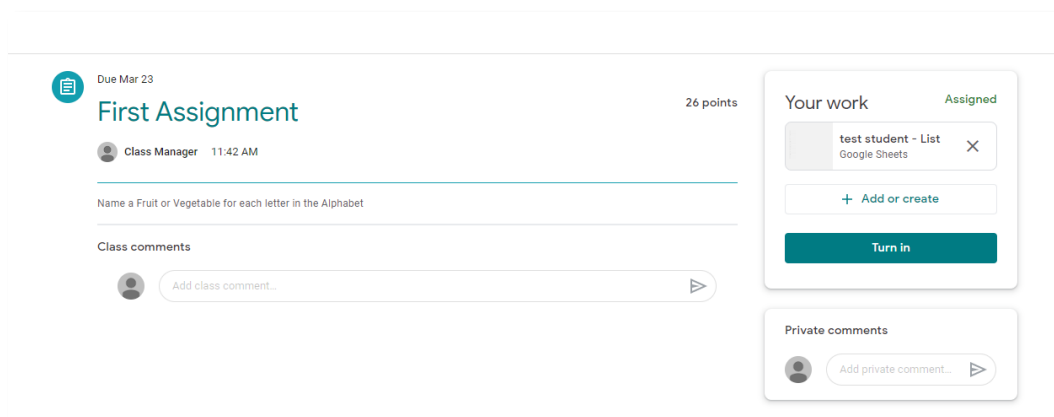

Completing an Assignment Set by a Teacher

On the Classwork Tab on the Class you have joined you will see all the work you have been assigned by the teacher

Click on the assignment and follow any instruction on the screen. Look out for work sheets or instructions from the teacher.

You can message the class with comment or message the teacher with a private comment

Once complete click the Turn in button.
