Dear Parent/Carer

On Monday 20 April 2020 the free school meal national voucher scheme will commence. You will receive a DFE/Edenred email providing instructions as to how to redeem these vouchers for your child/ward.

With this scheme the amount per week available for free school meals is £15 and this can be redeemed at several different supermarkets providing greater choice and possibly a more locally suited supermarket.

At present we have only set this up for one week but assuming you have no problems with this scheme it will continue until further notice or schools are re-opened.

If you have any technical issues then please follow the guidance provided by Edenred.

If you have any other issues regarding the suitability of this scheme due to your personal circumstances then please contact finance@wkgs.net

The funds left on the Asda cards will still be available to use but they will no longer be topped up. If they are no longer required or cannot be used then please request your child/ward to return it to the Finance Office when possible. If all funds have been used then please dispose of these cards and continue with this new scheme.

I hope you are all safe and well.

Kind regards.

Mrs N McDonald
Business Manager
