June 2024

Dear Parent/Carer

Year 10 Taster Day – Monday 8 July 2024

To help prepare students for making informed choices following their GCSEs, we are holding a Sixth Form taster day for our Year 10 students to assist them in thinking about their future. This event will take place on Monday 8 July.

Students have been asked to select five subjects to try out on the day, by no later than Wednesday 26 June. The sixth lesson will be a study skills session to help students prepare for written examinations in Year 11. Students will also have the chance to speak to current Sixth Form students about the different A-level subjects and the other opportunities available in our Sixth Form.

Following this, students will have the opportunity to have another taster day in November ahead of our open evening on Thursday 14 November 2024 and the deadline for students selecting A-level subjects.

The link to select subjects has been shared with students via their pastoral google classroom page, as well as the link to our [6th Form Course Guide](#) to help students make their selections. Students should also consider the subjects that are not on offer at GCSE.

If you have any questions please don't hesitate to contact me via email lmalley@wkgs.net

Yours sincerely

Mrs L Marley
Assistant Headteacher/Director of Sixth Form
