

What's Your Dream?...

Send a video of your business idea for the chance to pitch directly to Simon Squibb!

We want to help young entrepreneurs to turn their dreams into reality and budding entrepreneurs can pitch their ideas directly to me, Simon Squibb, through The National Careers Challenge. We'll be selecting the very best pitches to join us at the National Grand Finals in July and I look forward to seeing you there!

**Remember - Keep dreaming.
Your future is in your hands!**
