

Exciting opportunity for our students - Pitch to Simon Squibb!

Last month, The Inspirational Learning Group launched an exclusive "*What's Your Dream?*" challenge in collaboration with their 2024/25 ambassador, *Simon Squibb*.

Calling all future entrepreneurs!

This exciting activity is perfect for students to dive into during the Easter holidays. It will ignite their entrepreneurial spirit and give them the unique opportunity to pitch their business ideas directly to Simon at the TNCC finals on Tuesday, July 8th, at the Barbican Centre in London!

How can our students get involved? It's super simple:

1. Dream Big!

Whether they're entering solo or as a team, students should film themselves pitching their business idea. There are no limits to creativity, length of video or the actual video content itself. The team is looking for *energised*, well thought out pitches that showcase your students' passion and vision for their future business ideas!

2. Submit Their Pitch! Students can send in their video in any of the following ways:

- Email it directly dream@tilg.co.uk
- Submit via the form on the TILG [website](#)
- Upload it to Instagram or TikTok and tag @simonsquibb and @TILG_UK

The team from The Inspirational Learning Group will review all the videos and reach out to invite the most exciting pitches to the TNCC finals to pitch live to Simon!

For more information, please view the attached images.

(Please note: By submitting, students agree to have their video shared on our social media platforms.)
