Dear Students,

Following Ofqual's latest guidance on results, we are now in a position to explain our process for Results Day and how the day will work.

Results day for Year 11 will take place on Thursday 20<sup>th</sup> August, 2020.

All external applicants will need to collect their results from their current school on the day, following their guidance for doing so.

Once you have collected your results, we will need you to confirm your place in the WKGS Sixth Form. To do this, you will need to complete a short Google Form (link below).

If you have achieved the grades needed to access all of your chosen courses, you will just need to complete the form to confirm that you are joining us and upload a photograph or scan of your exam results. You will receive a message to confirm receipt of the email and outline our plans for induction in September.

If you would like to change a course or have not obtained the grades to study one or more of your preferred courses, on the Google Form you will need to request an online meeting which will be scheduled for you that day via Microsoft Teams or Zoom. You will receive an email shortly after submitting the form to confirm the time of your online meeting which will be with a member of the Senior Leadership Team. You will also need to upload a copy of your GCSE results so that we are able to discuss your results and what courses are available for you to study.

<https://forms.gle/jymSaAt3FDjSQArD9>

We are sorry that we are unable to offer face-to-face meetings on the day but we will be able to accommodate online meetings with everyone who needs one before the end of the day.

We hope that you are looking forward receiving your results and joining us in September for your A-level studies. If you have any further questions, please email [office@wkgs.net](mailto:office@wkgs.net) and a member of the Senior Leadership Team will get back to you.

All the best,

Mr S Clarke  
Deputy Headteacher
