Dear Parent/Carer

**Personal Development & Relationships & Sex Education (RSE) Curriculum 2026–27
Year 13**

As part of our ongoing commitment to supporting pupils' personal development and wellbeing, we deliver a carefully planned Personal Development and Relationships & Sex Education (RSE) curriculum throughout the year. These lessons help pupils develop the knowledge, skills, and values they need to make informed decisions, build positive relationships, and stay safe - both now and in the future.

In line with the Department for Education's statutory guidance on Relationships, Sex and Health Education, we are sharing an overview of the topics and lessons that will be covered this year in Year 13. We believe that transparency and collaboration are key, and we welcome your feedback, questions, or requests to view any of the lesson resources we plan to use.

We recognise that some of the topics covered within our Personal Development and RSE curriculum can feel more sensitive or challenging to discuss. These subjects are approached carefully, using age-appropriate language and resources, with an emphasis on safety, respect, and understanding. We aim to give pupils accurate information and the opportunity to ask questions in a safe, supportive environment. We appreciate that parents and carers may also wish to be aware of and prepare for these discussions at home. Below you will find a summary of the content:

13	<u>Health & Wellbeing</u>	<u>Power, Politics & Participation</u> <i>(Exploring Who I Am)</i>	<u>Wellbeing & Fitness</u>	<u>Managing Risk</u>	<u>Basic Domestic</u>
	Wellbeing and mental health Meningitis and vaccinations Managing other adults	Why we should be interested in and care about politics How to vote and how to be an informed voter Safer Internet Day	Just Dance Wellbeing Walks Fitness through games	Coercive control Sexual harassment NCW: The basics of interviews and assessment centres	Equips learners with essential DIY and home maintenance knowledge, building their confidence in managing everyday tasks related to home and car maintenance.

We know these lessons work best when supported by open conversations at home. Talking with your child about these topics reinforces their learning and helps them to feel confident and supported. We are all working together to keep pupils safe, informed, and well educated about themselves and others.

If you would like ideas for discussing these topics at home, the BBC Bitesize Parents section offers accessible guidance and advice: <https://www.bbc.co.uk/bitesize/parents>. Please note that this is an external website not managed or endorsed by the school; we share it as an optional resource that some families may find useful.
