

POSITIVE STREAK

How long can you keep yours?

Build your weekly streak by attending school every day and following the WKGS Way!

How it works

You will have the opportunity to get 35 celebrations points each week.

This is us assuming you will meet expectations in:

- Form Time
- Lessons
- Break / Lunchtime
- Study lessons and Skills for Life for Sixth Form students

Boost your total

We understand there are times students are not well enough to attend school and this can't be helped but don't worry you can boost your total for the week to keep your positive streak going by earning extra celebration points for:

- Being an outstanding member of the school community
- Going above and beyond in form time / lessons

You can boost your total even if you have been in school all week - all the points you earn can be used in the WKGS Rewards Shop

The number of celebration points you have at the end of the week will be added to Arbor/Edulink

Finish the week with 35 (or more) celebration points...
...and you'll add to your Positive Streak!
