We would like to remind you that students or parents can contact us for support on wellbeing@wkgs.net.

We would also like to make you aware of a dedicated helpline for children and young people in Wirral which has been set up by the council.

The helpline, which will be staffed by professionals from across children's services who are experienced in dealing with young people, will be open from 9am-5pm, Monday to Friday.

All calls made to the number are free. Children and young people can call **0808 196 4147** to speak to one of the advisors who will be there to take their call.
