Dear Students,

Following Ofqual's latest guidance on results, we are now in a position to explain our process for Results Day and how the day will work.

Results day for Year 13 will take place on Thursday 13<sup>th</sup> August, 2020.

Prior to Results Day, all current students are asked to complete the Google Form below to indicate whether they will collect their results in person or would rather receive them electronically. Those wishing to collect their results in person will be invited to school at staggered times, alphabetically, with the required social distancing measures in place. Please note that you will be required to collect these results individually and not with friends or additional family members to minimize any potential health risks. Please complete the form below **by July 17<sup>th</sup>** to indicate your chosen method of collection:

On the day, once you have collected or received your results, we will be available to support those of you that need any additional support with the UCAS process. We will have dedicated IT resources available for students who need additional support at this time and a member of staff will be available for guidance. This support will still be available if you have chosen to receive your results electronically and Mrs Harris-Smith and Mr Bell will be available via email to support you from home if you would prefer.

For details of the appeals process please visit [www.wkgs.org/about/school-policies](http://www.wkgs.org/about/school-policies) where you will find our Appeals Policy for 2020. If you would like to be entered for the Autumn Exam series after receiving your results, please email Mrs Hill-Jones at [exams@wkgs.net](mailto:exams@wkgs.net) with details of your candidate number and the subjects you are hoping to take the examination for.

We hope that you are looking forward receiving your results and if you have any further questions, please email [office@wkgs.net](mailto:office@wkgs.net).

All the best,

Mr S Clarke  
Deputy Headteacher
