Dear Parent/Carer,

Instrumental Tuition at West Kirby Grammar School

At West Kirby Grammar School there are opportunities for all students to hear and participate in many forms of classical and popular music. Students are actively encouraged to pursue their interests and contribute to the many group and solo activities which are available in our thriving Music department. As of September we have increased the range of instruments on offer to students with our highly skilled peripatetic music staff. There are two options for signing up for lessons either through the link below or through our schools website.
