Dear Parents/Carers,

[www.wchc.nhs.uk](http://www.wchc.nhs.uk)

**RE: School Entry Assessment (SEA)**

This term, we are asking all parents/carers of children who have started secondary school (Year 7) group to complete a simple online questionnaire about their health and wellbeing.

The School Entry Assessment (SEA) is a routine health and wellbeing questionnaire offered to all children starting a new school stage (such as Year 7).

The questionnaire asks about areas such as your child's growth, medical history, emotional wellbeing and any additional support they might need. Your responses help us to:

- Identify any health issues that may affect your child's learning or development
- Offer advice, guidance, or early support where needed
- Plan health services across our schools more effectively

A member of the School Nursing team will review the completed questionnaires and may contact you to talk about your responses in more detail.

A link to complete the questionnaire will be **emailed** or **text** to you. Please note that this will state it is from Wirral Community Health Care Trust. If you haven't received your questionnaire by the **end of November**, please contact us by emailing **[wchc.wirralhub@nhs.net](mailto:wchc.wirralhub@nhs.net)** with your child's name, date of birth, and your preferred contact details. We'll update your record and make sure the link is sent securely.

The Trust's legal basis for collecting, using, and storing information is to enable it to perform its public task in providing direct health care to its patients (and their carers where applicable). If you would like further information on how the Trust handles and uses the information it collects, please see the Trust website [www.wchc.nhs.uk](http://www.wchc.nhs.uk).

If you have any concerns, please contact our duty hub, **Monday to Friday 9am-5pm – 0151 514 0219** or email **[wchc.wirralhub@nhs.net](mailto:wchc.wirralhub@nhs.net)**

Yours Sincerely  
**Wirral 0-19 Service**
