Dear Parents/ Carers

I am writing to inform you that due to a change in my personal circumstances, I will be relocating to Cumbria at the end of this academic year and taking up the Headship of Appleby Grammar School.

The three years I will have enjoyed at West Kirby have, without doubt, been some of the best in my educational career and it has been a privilege to work with such talented students and staff. Although we are about so much more than examination results, it has been fantastic to see that we continue to be one of the top performing schools not just locally, but beyond; it was a delight to see for example that we were recognised as one of the top 100 state schools in the Times this year.

The recruitment process for WKGS will be underway in due course, and it is with real regret that I will be moving on. I know however, that whoever takes up the Headship at WKGS will be truly privileged to be leading such an outstanding school.

Thank you for your support throughout my time at West Kirby and I look forward to working with you for the remainder of this year.

Yours sincerely
