

THE WKGS WAY

at West Kirby Grammar

West Kirby
Grammar School

School we are:

1. Respectful Communicators

We communicate respectfully, demonstrating genuine interest in others, prioritising calm discussion over confrontation, and showing consideration for the community through polite interactions and thoughtful expression of views.

2. Ready for Learning

We ensure readiness for learning by starting lessons promptly, having planned ahead with resources and equipment prepared, and adhering to established classroom routines to maximise learning time and minimise distractions.

3. Actively Engaged

We are actively engaged and self motivated. We think deeply, contribute fully, work collaboratively and take ownership of our own learning. We are brave when taking risks and able to challenge ourselves and others.

4. Responsible Members of the Community

We demonstrate active involvement within the community, and maintain care for the school environment, ensuring a positive and inclusive atmosphere by contributing to its upkeep and addressing concerns responsibly.

5. Empathetic and Compassionate

We prioritise positive relationships, demonstrating empathy, compassion, and teamwork. We show kindness and inclusivity, inspiring each other to work effectively, understand the needs of others, and respond with compassion, even amidst challenges.
