Dear Parents and Carers

I am writing to inform you about a free parental webinar from Elevate Education. I know that some of you have watched their previous webinars and I hope you have found them informative. This latest one, the last in the series, which is entitled “How to help your child study smarter, not just harder” does not require you to have watched any of the others.

Those of you who attended the Time Management webinar should have been sent a weekly planner for students to organise their studying or other activities. If you do not have a copy of this you can find it attached to this email.

Details of the forthcoming webinar are as follows:

**Event Title:** How to help your child study smarter, not just harder

**Date:** Tuesday 9 June 2020

**Time:** 6:00 – 7:00 pm

**Cost:** Free

**Sign-Up Link:** <https://get.elevatecoaching.info/uk/webinar-signup-9-june/>

If you have any queries regarding this webinar, please do not hesitate to contact me.

Kind regards.

Mr R Bell
