

Medic Mentor – information regarding virtual conferences

Starting next year, UCAS is updating the personal statement format. Instead of a traditional essay, students will be asked to respond to three specific questions. One of these is: "What else have you done to prepare outside of education, and why are these experiences useful?"

This is where attending a Free Virtual Get Into Medicine or Dentistry conference is incredibly beneficial! At the conference, students get a detailed overview of the medical/dental application process, learn about the UCAS changes, and receive access to resources that will help prepare them for medical and dental school. Plus, they'll gain valuable insights from Doctors and medical students as they share their experiences in medical school and the NHS. And the best part? All students receive a certificate of attendance to showcase their preparation for medical/dental school!

Upcoming Get Into Medicine conferences are:

- Saturday 5th October from 9:30am - 3:30pm
- Sunday 6th October from 9:30am - 3:30pm
- Saturday 26th October from 9:30am - 3:30pm

Students will need to ensure they have a functioning camera and microphone for the session. It's also important that they have a parent or guardian present at these conferences, not only for safeguarding, but also to gain insight and guidance to support them effectively.

Our doctors, dentists and medical/dental students look forward to welcoming your students at the conference and they will join our network of successful students who attended these programmes over the last ten years: <https://medicmentor.org/successful-student-journeys-reviews/>
