INSURANCE

Students will be covered by the school's travel insurance policy. If your child/ward has a European Health Insurance Card (EHIC) that will still be in date during the trip, they will be able to use this. If they do not, you will need to apply for Global Health Insurance Card on the NHS website. If you are reading the electronic version of this letter, you will find the address on the following link: [Applying for healthcare cover abroad \(GHIC and EHIC\) - NHS](#).

We have an extensive insurance policy but these cards allow for quick and easy access to healthcare in the unfortunate event it becomes necessary.

EU'S ENTRY/ EXIT SYSTEM (EES)

From Sunday 12 October 2025, the EU's Entry/Exit System (EES) will require non-EU passport holders, including UK citizens, to register at the border by having their passport scanned, fingerprints, and a photograph taken. Children under the age of 12 will not need to provide fingerprints but will still have their photograph taken. This system applies to short stays of up to 90 days in a 180-day period within the Schengen Area countries.

The school has a blanket School Journey Insurance policy in place to provide appropriate cancellation, curtailment, medical and personal possessions cover. This policy also carries very limited personal accident insurance cover for pupils. As the School will not be liable for any injury arising from incidents beyond our direct control, parents/carers may wish to consider purchasing their own personal accident cover to enhance the limited protection of this policy.
