

## **Praise for Is A River Alive?**

'Personal as well as political, it's almost as certain to shift readerly perspectives as it is to be a bestseller.'

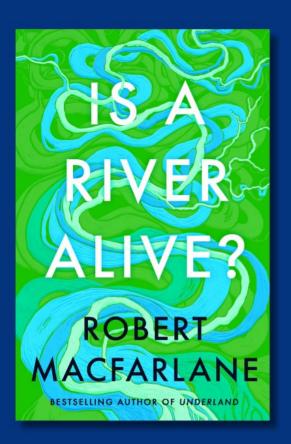

— Observer

'Rarely does a book hold such power, passion, and poetry in its exploration of nature. Read this to feel inspired, moved, and ultimately, alive.'

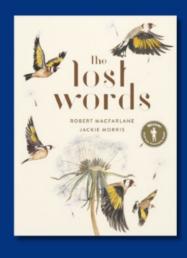

— Elif Shafak

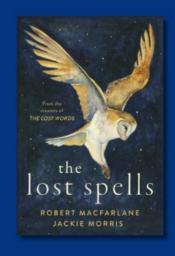

'Is a River Alive? is a breathtaking work that speaks powerfully to this moment of crisis and transformation.'

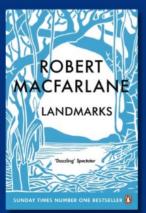

— Merlin Sheldrake
