

School & Community Fund Report 2023/24

Donations to the school are received by West Kirby Grammar School Fund (Registered Charity Number 514834).

In 2023/24 parents and members of the community generously raised £12,000 in funding, and we are extremely grateful for the support received.

In 2023/24 we spent £12,000 on a range of activities and equipment to enrich the curriculum and for treats and celebrations to recognise student successes.

We have provided a list below on the activities and equipment purchased with your donations in the 2023/24 academic year. Without your financial support none of these things would have happened.

Thank you for your continuing generosity and support for our school community.

Mr Andrew Eckford
Director of Finance
