Head of Geography

Full-time, Permanent. Required for September 2025.

The Governors of this exceptional Grammar School wish to appoint a well-qualified and enthusiastic Head of Geography for September 2025. This is a full-time, permanent post. The ability to teach Geography at both GCSE and A-level is essential. A strong degree in Geography with the ability to confidently teach the physical geography aspects of the GCE A-level Geography course is sought, although candidates with expertise in other areas are welcome to apply.

The Geography department at WKGS is a vibrant and dynamic place to work. We are seeking an inspiring individual to lead with energy and creativity, fostering a passion for geography and global understanding within our student body. Central to this role is a commitment to learning outside of the classroom. We are looking for a candidate who can provide students with opportunities to see their geographical learning in action through trips, fieldwork, and innovative extra-curricular initiatives that connect classroom theory with real-world applications.

At GCSE, students follow the AQA Geography specification, delivered over a two-year KS4 programme. A-level students follow the Pearson specification and benefit from twelve 50-minute lessons per fortnight. Geography is a popular and successful subject at WKGS, with 62% of GCSE students achieving grades 9–7 and 52% of A-level students achieving grades A* – B in 2024. The department prides itself on its outstanding academic results and commitment to providing enriching learning experiences beyond the classroom with many students opting to study the subject at top universities.

West Kirby Grammar School is a very successful selective girls' school with a coeducational Sixth Form. There are approximately 1200 students on roll, and results are exceptional. In 2024, the Progress 8 score was +0.42, with 51% of results at grades 9–7 and 15% at grade 9. At A-level, 61% of grades were A* – B, with the average grade being a B.

Further information and an application form are available to download on the school's website (www.wkgs.org) or by contacting the School on 0151 632 3449. A completed application form and letter addressing the content of the person specification, no longer than two sides of A4, should be submitted to office@wkgs.net for the attention of Mr S. Clarke, Headteacher.
