# West Kirby Grammar School

We have looked carefully at the school uniform and kept both the compulsory and badged items to a minimum, whilst still retaining our distinctive identity as a school community. We recognise that there are variations in school uniform available from high street retailers and that our parents and carers want to support us with upholding our uniform guidelines. Below are further details and suggested retailers for skirts and jumpers with high street/supermarket alternatives that are the closest matches we could find. Please do not purchase uniform from elsewhere that does not follow our guidelines.
