July 2021

Dear Parent/Carer

Instrumental Tuition at West Kirby Grammar School

Welcome to all new musicians starting here in September. We hope you will enjoy the many musical activities offered both in the classroom and beyond and hope that you will fully support extra-curricular music ensembles at school.

Below is some information about the opportunities for instrumental tuition. A team of independent tutors offer their services to students at the school including tuition on all orchestral instruments plus piano, keyboard, electric guitar, acoustic guitar, bass guitar and drum kit.

Currently, all independent tutors operate under similar terms including:

- A minimum of 30 lessons of instrumental tuition per academic year
- The fees charged, which are currently common to all tutors and are payable direct to the tutor

2021 - 2022

- £7.00 per paired lesson of 20 minutes
- £9.50 per paired lesson of 30 minutes
- £11.00 per individual lesson of 20 minutes
- £14.00 per individual lessons of 30 minutes
- Pupils will need to provide their own instrument (hire or buy)

If you would like your child/ward to receive instrumental tuition during the school day, please complete the contract attached by **Friday 16 July 2021** and return to school for the attention of Mrs J Williams (please do not include any fees at this stage). Applications will be processed by the tutors and **information given out during September.**

I look forward to hearing from you.

Yours sincerely

J Williams

J Williams (Mrs)
Head of Music
